Education: 2nd YEAR

Department: Electronics and Communication Engineering

CGPA – 8.115

Chennai Institute of Technology

(Batch):2024-2028

Internship Experience: Aspier Instruments,Chennai

Embedded Development Department(May 2025-June 2025)

- Designed and implemented graphical user interfaces using Nextion HMI and its Editor for touch-enabled Raspberry Pi compute modules.
- Acquired practical experience in embedded systems and seamless UI integration
- Acknowledged for dedication, reliability, and delivering high-standard output.

Projects:

GUI Interface on Nextion HMI for Embedded Control:

- Designed and developed an interactive GUI using Nextion Editor for real-time monitoring and control of embedded systems.
- Integrated Nextion HMI with Raspberry Pi/Arduino over UART for seamless two-way communication

Certifications:

- | | |
|--|---|
| 1.MSA(Master in Software Applications) | 2.AI fundamentals with IBM SKILLS build |
| 3.Introduction to cybersecurity | 4.Introduction to Data Science |
| 5.Introduction to Modern AI | 6.Introduction to IOT |

Achievements:

- 1.Completed 500+ problems in SkillRack
- 2.Electrothon Finalist '24
- 3.Completed 50+ Problems in LeetCode

Skills:

- 1.C/C++ Developer
2. Front-End Developer
- 3.HMI Developer
